

Decision No 6/2022

**Director of Nencki Institute PAS
of April 25, 2022**

on the rules of using the infrastructure of the Research Station of Nencki Institute PAS in Mikołajki.

§ 1

I introduce the following rules for using the infrastructure of the Research Station in Mikołajki:

1. The use of the Station's infrastructure by employees and doctoral students of the Nencki Institute is possible only for business purposes, on the basis of the applicable delegation procedures and with the consent of the Deputy Director of the Institute for Organizational Affairs and Development.
2. Persons conducting research, from outside Nencki Institute, may use the Station's infrastructure only in the case of:
 - a. conducting research in cooperation with employees of the Institute;
 - b. signed agreement on scientific cooperation between Nencki Institute and the institution with which they are affiliated.
3. Employees of Nencki Institute conducting experimental work at the Station have priority in using the infrastructure.
4. The Institute reserves the right to cancel a reservation made, related to a business trip not including experimental work, if it collides with the scientific research carried out at the Station.
5. The use of the Station's infrastructure is payable, in accordance with the applicable price list. In exceptional cases, it is allowed to set a rate other than that indicated in the price list, based on an individual decision of the Director of the Institute.
6. The employees of the Institute who conduct experimental work with the use of research infrastructure located on the premises of the Station are exempt from fees.
7. The persons accompanying the posted employee are allowed to stay at the Station; fee according to the price list, as for an employee of the Institute.

§ 2

The rules apply from 25th of April 2022.

Director of the Institute

Prof. Agnieszka Dobrzyń PhD, DSc.
